

Do you work on the **LAND**?

*Are you a worker, employee, freelancer,
trainee, apprentice, coop member or
volunteer?*

JOIN **SALT!**

We are a grassroots trade
union for workers across all
land related trades:

- Farming
- Forestry
- Conservation
- Gardening
- Floriculture
- Horticulture
- and MORE!

We are a national branch of the Bakers, Food and Allied Workers' Union (BFAWU).

We unionised to support workers who are often in insecure, informal, and seasonal work.

You can join SALT if you do **not** have **hiring and firing power in your workplace.**

WHY JOIN?

Join SALT to stand together with workers, defend and protect your employment rights, hard won by previous trade unionists. Let's fight for better standards and pay in your workplaces.

We are building a network of solidarity across workers from different land trades, uniting all those that labour for others on the land.

MEMBER BENEFITS INCLUDE:

Training opportunities

Learn how to collectively organise in your workplace!

Legal support and advice

Peer-to-peer support

Mediation support

MEMBERSHIP DUES

**Zero-hours,
self-employed,
part-time, trainees
and volunteers:**
£6.07/month

Employed:
£14.99/month

SALT is only as strong as our membership. If you value the work that SALT is doing to change the conversation around workers' rights, get involved.

"You don't have to hate your job to join a union."

JOIN SALT, JOIN THE BFAWU!

"Protecting workers is paramount to protecting the Earth".

Leah Penniman
